The diagram illustrates a file system structure for WooCommerce uploads. It shows a root directory containing a subdirectory named 'uploads/woocommerce_uploads/'. This subdirectory contains a file named '.htaccess'. The root directory also contains a file named 'woocommerce_uploads/' which is a link to the subdirectory. The root directory is represented by a box with a grid pattern, and the subdirectory is represented by a box with a grid pattern. The file '.htaccess' is represented by a box with a grid pattern. The file 'woocommerce_uploads/' is represented by a box with a grid pattern. The diagram is labeled 'WooCommerce uploads/woocommerce_uploads/' and '.htaccess'.
