-

Goal

Create a block showing the hours and location of the farmers market.

Prerequisite knowledge

- [Concept: Blocks](#)
- [Concept: Regions in a Theme](#)

Steps

1. In the *Manage* administrative menu, navigate to Content_ > *Blocks* (*admin/content/block*).
2. Click *Add content block*. The *Add content block* page appears.
3. Fill in the fields as shown below.

Field name	Explanation	Example value
Block description	Name of the block shown to administrators	Hours and location block

Field name	Explanation	Example value
Body	Content of the block when it is displayed	Open: Sundays, 9 AM to

[Home](#)

Add content block ☆

Block description*

Hours and location block

A brief description of your block.

Body

B
I

Paragraph
 Source

Open: Sundays, 9 AM to 2 PM, April to September

Location: Parking lot of Trust Bank, 1st & Union, downtown

Text format

Basic HTML

POWERED BY CKEDITOR

Revision information

No revision

Revision log message

The log entry explaining the changes in this revision.

Save

Save and configure

4. Click *Save*. A message appears indicating the block has been saved.

Expand your understanding

- Edit the content of your custom block. In the *Manage* administrative menu, navigate to *Content > Blocks* (*admin/content/block*). Find your block in the list and click *Edit* to make changes.
- Place the block you created in the sidebar. See [Placing a Block in a Region](#) for details.
