Return Value

This control does not return any value.

Usage

```
<?php
class Elementor_Test_Widget extends \Elementor\Widget_Base {

    protected function register_controls(): void {

        $this->start_controls_section(
            'style_section',
            [
                'label' => esc_html__( 'Style', 'textdomain' ),
                'tab' => \Elementor\Controls_Manager::TAB_STYLE,
            ]
        );

        $this->add_control(
            'delete_content',
            [
                'label' => esc_html__( 'Delete Content', 'textdomain' ),
                'type' => \Elementor\Controls_Manager::BUTTON,
                'separator' => 'before',
                'button_type' => 'success',
                'text' => esc_html__( 'Delete', 'textdomain' ),
                'event' => 'namespace:editor:delete',
            ]
        );

        $this->end_controls_section();
    }
}
```

}

}
