npm token

```
npm token list
```

```
$ npm token list
```

A diagram of a 16-bit register. It consists of a long horizontal rectangle divided into 16 equal-sized squares. Below the first 4 squares is a smaller rectangle divided into 4 squares. To the right of this smaller rectangle is the word "Tab". To the right of "Tab" is another smaller rectangle divided into 4 squares. This represents a 4-bit tab within a 16-bit register.

```
--json
```

JSON ☐ ☐ ☐ ☐ ☐

```
--parseable
```

```
npm token create
```

```
$ npm token create
```

```
--read-only [16]
