

1. `wenfang.org` `https://wenfang.org/source/{font}/` `woff2 + CSS`
2. `font.woff2` `font.woff2`
3. `font.woff2` `font.woff2` `font.woff2`

The diagram illustrates the layout of font files. A long horizontal bar represents the font data, divided into segments. A label 'fonts.css' points to a specific segment, and a label 'woff2' points to another segment.
