Giving Feedback

We welcome suggestions to improve the article, whether it is to add new topics or to rectify mistakes, you're invited to help.

You can do so in the following ways

- Connect to Slack and join #docs and make your suggestion there, one of the Documentation Team members will help
- Join the Documentation Team as an editor and edit away!
- Open a ticket in the Documentation Issue Tracker repository on GitHub with the "themes" label.

In-page feedback forms are currently planned for the handbooks.
