How to...

If you're just getting started, it helps to know how to submit your plugin, use SVN, and so on.

- [...plan, submit, and maintain your plugin](#)
- [...use SVN \(aka Subversion\)](#)
- [...manage your readme.txt](#)
- [...write proper plugin headers](#)
- [...use plugin assets \(header images and icons\)](#)
- [...take over an existing plugin](#)
- [...use the support forums](#)
- [...grant users special roles \(contributor, supporter, committer, etc\)](#)
- [...transfer your plugin to a new owner](#)
- [...add your plugin to the block directory](#)
- [...manage your plugin's security](#)
- [...report an insecure plugin](#)
